Amendments register

Approved changes to governing, commercial, insurance, and personnel records. Each entry controls from its effective date and only for the field described.

1. Register index

AM-11	Records custody	2025-02-12	2025-03-01	Implemented
AM-14	Bay D access	2025-05-20	2025-06-01	Implemented
AM-17	Operational command	2025-09-17	2025-09-18	Implemented
AM-21	Supplier contract	2025-09-19	2025-09-20	Implemented
AM-24	Insurance deductible	2025-08-28	2025-09-01	Implemented
AM-29	Personnel suspension	2025-09-21	2025-09-22	Implemented
AM-30	Personnel termination	2025-09-24	2025-09-25	Implemented
AM-31	Vendor review cycle	2025-09-28	2025-10-01	Future

INTERPRETATION

Use the effective date—not the filing date—to determine whether an amendment applies to the 2025-09-30 case close.

Register controls

- Every amendment has a unique identifier and an approval chain.
- Entries marked future do not change the September close.
- Superseded values remain visible in underlying source records for audit traceability.

AMENDMENTS AM-17 / AM-21 / AM-24

Authority, supplier value, and deductible

Detailed operative text for the three amendments that revise earlier charter or contract fields.

AM-17 — operational command

Operational commander	Mira Venn	Talon Rusk	2025-09-18

Talon Rusk assumes daily command, response authority, and routine transfer approval within charter thresholds. The appointment of Mira Venn is superseded from the effective date.

AM-21 — supplier commercial schedule

Total contract value	600,000	660,000	2025-09-20
Installment count	6	6	Unchanged
Installment amount	100,000	110,000	2025-09-20

The payment cadence and supplier start date remain unchanged. Only the value and per-installment amount are revised.

AM-24 — insurance deductible

Per-incident deductible	50,000	75,000	2025-09-01

The coverage limit, annual premium, and coverage start date are unchanged by AM-24.

AMENDMENTS AM-29 / AM-30

Personnel status changes and approval trail

These entries occur after the 2025-09-10 roster snapshot and therefore must be applied when calculating current headcount and payroll.

Personnel changes

AM-29	P014 • Kale Senn	Active	Suspended	2025-09-22	7,500
AM-30	P015 • Rian Voss	Active	Terminated	2025-09-25	7,000

Effect on the roster snapshot

- The roster snapshot lists 18 active people and monthly compensation of 168,000 before these changes.
- AM-29 removes P014 from active headcount and active payroll while leaving the personnel record on file.
- AM-30 removes P015 from active headcount and active payroll from its effective date.
- The three contractor engagements P016 through P018 are unaffected.

Approval chain

AM-29	Security lead	Operational commander	Records secretary
AM-30	Personnel committee	Operational commander	Records secretary

CLOSE POSITION

As of 2025-09-30, one person is suspended and one is terminated. Apply both changes to the earlier roster snapshot.
