Supplier master agreement

Original commercial terms for the active logistics supplier. Later approved amendments may revise the value schedule while leaving the service framework in force.

1. Agreement particulars

Agreement ID	SA-2025-06	Controlled commercial instrument
Supplier	Blue Veldt Holdings	Logistics and route services
Contract start	2025-06-01	Service commencement
Original contract value	600,000	May be superseded by amendment
Original installments	6 × 100,000	Monthly scheduled payments
Term	Six months	Subject to performance review
Governing zone	Meridian Outer Trade Zone	Commercial law schedule M-8

2. Core services

- Scheduled movement between North Ring, Dune Annex, East Relay, and South Relay.
- Manifest custody from dispatch seal through receiving acknowledgement.
- Exception reporting within four hours of a count, seal, or route deviation.
- Monthly performance certification before release of each installment.

COMMERCIAL STATUS

The executed agreement records the original value. Consult the amendments register for the current contract value and installment amount.

Installment schedule and service controls

The original schedule is retained below for audit comparison. Payment dates and installment count remain in force unless expressly amended.

3. Original payment schedule

1	2025-06-30	100,000	June service certification
2	2025-07-31	100,000	July service certification
3	2025-08-31	100,000	August service certification
4	2025-09-30	100,000	Q3 control review
5	2025-10-31	100,000	October service certification
6	2025-11-30	100,000	Final service certification

4. Service levels

Manifest completeness	100%	Immediate hold
Receiving count variance	≤ 1%	Cargo controller review
Route delay	≤ 6 hours	Operations review
Security exception notice	≤ 4 hours	Security lead
Monthly certification	By close + 2 days	Ledger custodian

The number of installments is six. A later value amendment changes the amount of each installment but not the count or due-date cadence.

POLICY SCHEDULE • 2025 ANNUAL COVER

Insurance coverage schedule

Original policy terms applicable to operational property, cargo, and incident response. Later amendments may change the deductible only.

5. Policy particulars

Policy ID	IC-2025-01	Annual commercial coverage
Coverage start	2025-01-01	First day of policy period
Coverage end	2025-12-31	Subject to renewal
Aggregate coverage limit	2,000,000	Annual aggregate
Original deductible	50,000	Later amendment may supersede
Annual premium	72,000	Twelve monthly tranches
Covered events	Cargo, property, response	Subject to exclusions

6. Claims protocol

- Notify the insurer within 48 hours of a potentially covered incident.
- Preserve access logs, movement records, and loss schedules.
- Apply the deductible effective on the incident date.
- Do not net the annual premium against a claim exposure calculation.

AMENDMENT WARNING

The original deductible shown here is not current for the September incident. Coverage limit, premium, and coverage start remain unchanged.
