GOVERNANCE RECORD • ISSUED 2024-05-01

Organization charter

Founding instrument for the entity, its legal identity, and the original command structure. This controlled copy is retained for historical comparison with later amendments.

1. Registered identity

Registered name	Kestrel Meridian Cooperative	Legal registry entry KM-4471
Entity form	Cooperative logistics operator	Member-owned commercial body
Registered sector	Meridian Outer Trade Zone	Primary operating jurisdiction
Registry office	North Ring Annex 4	Service address for notices
Formation date	2024-05-01	Effective upon registry acceptance
Reporting cycle	Quarterly	Close dates follow zone calendar

2. Authorized activities

- Receive, stage, and route commercial cargo within the Meridian Outer Trade Zone.
- Contract with carriers, warehouse operators, insurers, and technical service providers.
- Maintain ledgers, asset registers, personnel records, and controlled access systems.
- Issue operational policies subject to the amendment hierarchy described in this charter.

CONTROL STATUS

This charter is the base record. A dated, approved amendment overrides only the field it explicitly changes.

Original governance appointments

The appointments below describe authority at formation. They remain valid only until a later controlled instrument takes effect.

3. Officers and delegated authority

Operational commander	Mira Venn	Daily movement and response command	Annual
Ledger custodian	Sera Vale	Posting and reconciliation custody	Quarterly
Cargo controller	Veya Noll	Manifest and intake controls	Monthly
Asset steward	Ren Ordo	Asset receipt, location, retirement	Quarterly
Security lead	Caro Jinn	Badge policy and incident escalation	Monthly
Records secretary	Leta Marr	Controlled copies and amendment index	Quarterly

4. Decision thresholds

Routine transfer	Up to 125,000	Commander plus ledger custodian
Capital acquisition	Up to 200,000	Commander plus asset committee
Contract amendment	Any value change	Risk committee approval
Personnel suspension	Any duration	Commander plus records secretary
Security classification	High or above	Risk committee ratification

HISTORICAL FIELD

The original operational commander named in this schedule is Mira Venn. Check the amendments register before treating that appointment as current.

Operating zones and record hierarchy

This schedule defines official repositories, review cadence, and the order in which conflicting records must be interpreted.

5. Controlled operating zones

Bay A	Outbound staging	Cargo controller	24 months
Bay B	Carrier interchange	Cargo controller	24 months
Bay C	Manual receiving	Asset steward	36 months
Bay D	Sensitive cargo staging	Security lead	36 months
Ledger Vault	Financial records	Ledger custodian	84 months
Cargo Control	Movement coordination	Cargo controller	36 months

6. Record precedence

• A later approved amendment supersedes an earlier charter, contract, roster, or policy field.

• A final committee close supersedes a draft operational brief for the same reporting period.

• A source receipt or receiving label may supplement an export when the export marks the item as externally retained.

• Where no later authority exists, the controlled source with the closest applicable date governs.

7. Certification

Registry seal	KM-4471	Verified
Founding resolution	FR-2024-05	Approved
Controlled copy	CC-04	Current base document
Next scheduled review	2025-12-15	Planned
